

12 October 2021

Dear [REDACTED]

Official Information Act Request

You have asked for information about Pfizer Clinical Trials

I am aware that all 3 phases of the Pfizer Clinical Trails are running concurrently, with varying doses in each stage ranging from 10 micrograms to a potential 250 micrograms. Please provide a breakdown of the administration of doses in the Northland DHB area by micrograms & by age range of patients, of

- Biological: BNT162b1*
- Biological: BNT162b2*
- Placebo Biological: BNT162b2SA*

Please also provide the date of the first administration of all three products.

Northland DHB does not hold the information you have requested. I understand that you have made an information request to the Ministry of Health for the same information and the Ministry has advised you that there are no trials on the substances listed above running in New Zealand.

Northland DHB supports the open disclosure of information to assist public understanding of how we deliver our services. This includes proactive publication of anonymised Official Information Act responses on our website from 10 working days after they have been provided to you. Personal or identifying information will be redacted from any response published online. If you consider there are good reasons why this response should not be publicly available we will consider your views.

If you have any queries about Northland DHB's response to your information request please contact the Chief Executive's office in the first instance.

Yours sincerely

Jeanette Wedding
Acting Chief Executive
