Dear [Redacted]

**Official Information Act Request**

The Department of Internal Affairs transferred part of your Official Information Act request about Vulnerable Persons Registers to Northland DHB on 11 Mar 2021.

You have asked for information regarding administration and costs associated with a Vulnerable Persons List. Northland DHB does not generate, hold or administer a Vulnerable Persons List as described on the CASA website. We are therefore unable to provide the information you have requested.

Northland DHB supports the open disclosure of information to assist public understanding of how we deliver our services. This includes proactive publication of anonymised Official Information Act responses on our website from 10 working days after they have been provided to you. Personal or identifying information will be redacted from any response published online. If you consider there are good reasons why this response should not be publicly available we will consider your views.

If you have any queries about Northland DHB's response to your information request please contact me.

Yours sincerely
