About us

The partnership between Northland DHB and Northland Community Foundation (NCF) focuses on encouraging community giving to benefit the health needs of all Northlanders, now and in the future. Health Fund PLUS was set up by Northland DHB and Northland Community Foundation to allow people to make donations to Northland hospitals or services for the 'optional extras' that are so important to patients and their whānau. You choose exactly where you want your donation to go, and we make sure that is exactly where it ends up.

How can you make a difference?

There are many ways you can partner with us to make a difference.

Make a donation

Whether you'd like to donate towards something specific or you're happy for your donation to go where it's most needed, we can accommodate your wishes.

You can make a one-time donation or give through payroll giving, make a bequest through your will or set up a health endowment fund. We can help arrange for the above-mentioned options. Simply call us to talk about your plan or email us at info@northlandcommunityfoundation.org.nz

All donations during your lifetime qualify for a 33.3% tax rebate up to a limit of your taxable income. If you make a donation of \$5 or more to Health Fund PLUS, you may be able to claim a tax credit of 33.3%. To claim a tax credit, you need to file a tax credit claim form (IR526) for the relevant tax year.

Fundraise for us

Are you up for a challenge and looking to make a difference? It is easy to fundraise for Health Fund PLUS through your company Christmas party, school event or club activity. Simply contact us and tell us about your plan. We will guide you through how to set up a fundraising page and provide you with ideas on fun collateral. We will support you all the way to complete your challenge, knowing that you've made a difference!

Tell your friends and family about us

Help us spread the word about what we are doing. Maybe you know someone who might like to make a donation? Or rather than receive a birthday gift this year, they might want to donate to Health Fund PLUS instead?

Maybe your friend or company would like to support or partner with a charity – how about suggesting us?

Volunteer

Do you have a few hours to spare? Northland DHB always needs volunteers to help patients find their way in the hospital or offer companionship. You could also help NCF with fundraising, administration, or events.

The options are endless, please get in touch and have a chat with us.

You can call us on 021 558 224 or 0204 139 8518 or email info@northlandcommunityfoundation.org.nz
