

Northland District Health Board

Electing 7 Members

Jeffrey BURSON

My principal place of residence is in the Northland District Health Board area.

I am committed to ensuring the Northland DHB practices sound stewardship, channelling our resources into areas that will directly improve patient care. As a Chartered Accountant with 11 years experience in various roles, I will bring my financial expertise to the Board. I will push to receive all possible funding to meet the growing demands of our aging and, in some cases, geographically isolated population. Outside of financial measures, I will endeavour to provide sound governance that is filtered through to those on the front line. With my wife as a Registered Nurse, friends and family employees of the Northland DHB in various sectors, and myself employed part time as a business analyst, I have a wide base of knowledge to draw from.
