### **Vince COCURULLO**

My principal place of residence is in the Northland District Health Board area. I am also standing for Okara Ward.

Like you, both my wife and I believe in a positive future for Northland.

For almost 20 years I have been running a successful IT business based in Whangarei, looking after both businesses, individuals, and many of the hospital staff, from all over Northland. Whangarei is growing, and many of us are feeling the pains of growth, with traffic congestion, failing infrastructure, lack of parking and no hospital beds. Northland is leading the stats in NZ, for Cancer, Mental illnesses and Drug abuse, and it is expected that our DHB and staff have to pick up the pieces.

As a past chair of Northable (2010-2016), and being involved in our community, I hear and understand what is being said, I also understand governance, making changes and leading people. Together, we can make the positive changes and planned growth for Northland. Northland is our home, let's make it better. [www.votevince.co.nz](http://www.votevince.co.nz)
