

# Northland District Health Board

## Electing 7 Members

---

---

### **Shaun CURTIS**

My principal place of residence is in the Northland District Health Board area.

Our region is growing, and we need effective governance to support our health services adapt. I will ensure that we are: managing our resources well and have a strategy for the future; achieving

efficiencies through innovation; enhancing the availability of medical services throughout Northland; supporting efforts to lift child immunisation rates.

I'm 36 and live in Kerikeri with my wife and two children. We run a business in financial services. Northland is where I grew up, and I'm thrilled to be raising my own family here.

My experience in complex and challenging environments will bring a unique skillset to the table. I've held roles in internal audit, project and change management (including governance), and business performance.

Good governance enables our valued medical and disability staff to care for our communities effectively.

Please make me your preferred candidate. I'd be honoured to serve you on the board.

#### *Conflict of Interest Statement*

To the best of my knowledge and belief, I have no conflicts of interest with the Northland District Health Board at the date of my notice of consent to being nominated as a candidate for membership for the board of the District Health Board, and I do not believe that any such conflicts of interest are likely to arise in the future.
