

Northland District Health Board

Electing 7 Members

Libby JONES

My principal place of residence is in the Northland District Health Board area.

Tēnā Koutou Katoa

Currently a Director on Northland District Health Board and Chair of the Community, Public Health and Disability Advisory Committee of NDHB. For 30 years I have worked in health and social services in clinical and leadership roles in Northland. I have 18 years governance experience across health, education, social services and local government.

While we are seeing positive health improvements, I know it is not enough and we need to keep our focus on prevention of ill health, working together more effectively, timely access to quality health services for all, and supporting our hard-working health sector staff.

Living rurally, being a parent, an active community member and listening to the views of Northlanders, has given me a good understanding of our unique issues that impact on health. Re-elect Libby Jones, so I can continue working hard for your good health. www.libbyjones.co.nz FB Libby Jones NDHB
