

Northland District Health Board

Electing 7 Members

Niki TAUHARA

My principal place of residence is in the Northland District Health Board area. I am also standing for Te Hiku Ward.

My name is Niki Tauhara, born and raised in the Far North and live in Peria. I have long term experience in committees and organisations like, health, social services and education.

As a District Health Board member I'd like to see local people participating in local decision-making. I'd like to see better access to local services and ensure these are adequately resourced and effectively managed.

I stand to uphold the principles of Te Tiriti o Waitangi and apply these to all District Health Board business. I stand to listen to your concerns and find appropriate solutions.

I value your collaboration in making our home a better place to be.

Conflict of Interest Statement

To the best of my knowledge and belief, I have no conflicts of interest with the Northland District Health Board at the date of my notice of consent to being nominated as a candidate for membership for the board of the District Health Board, and I do not believe that any such conflicts of interest are likely to arise in the future.
