

Northland District Health Board

Electing 7 Members

John VUJCICH

My principal place of residence is in the Northland District Health Board area. I am also standing for Kaikohe-Hokianga Ward.

A Far North District Councillor since 2013; serving as board member of Ngati Hine Health Trust.

Born and raised in Northland. My family has a long involvement with health and I'm aware of the many challenges facing rural medical services in Northland.

I am committed to seeing a positive change in our general health statistics, preserving key services, and creating an integrated health service across all local providers.

I would like to see everyone, especially our rural people, have improved access to good quality local health services, with Whangarei Hospital offering more specialist treatments.

Let's de-normalise the poor health statistics of rural Northland.

I believe we can do this by taking a broader "health in all policies" approach that includes not only health providers but local government, all government departments, education, and personal health responsibility.

Representation from rural Northland is important. For further information or to contact me, see www.john4council.co.nz

Conflict of Interest Statement

I hereby disclose the following conflict of interest with the Northland District Health Board at the date of my notice of consent to being nominated as a candidate: Board Member Ngati Hine Health Trust.
