

Northland District Health Board

Electing 7 Members

John BAIN

Independent

My principal place of residence is in the Northland District Health Board area. I am also standing for Whangārei Urban Constituency.

I have put my name forward for re-election to the Northland District Health Board because I believe that with my experience of patient transport, by

Ambulance, and helicopter, I will again have the opportunity to contribute for the benefit of all Northlanders. My history shows that the services, mentioned above, all punch above their weight because of the employment of the best people and equipment available. I believe that with the great staff we have at the DHB we now need to look at the facilities, in particular the buildings at the Base Hospital.

The people of Northland deserve the best services and the ability to access the best health care available. We should not be left behind, we too should be housed in modern, better new buildings.

Vote No 1 for John Bain, I will always promote and expect the best for Northland.

Conflict of Interest Statement

I hereby disclose the following conflict of interest with the Northland District Health Board at the date of my notice of consent to being nominated as a candidate: I am a member of St John Priory Chapter. The contract held by St John is not a part of my ambulance responsibility, however, it could eventuate that I would leave the room if discussion on ambulance contracts took place.
