A BRIEF HISTORY

The new Town & Around was formed after the local bus service ended. It was founded by the Northern Wairoa Mission District in conjunction with other service providers within the wider community.

WHO WE ARE

Town & Around is operated solely by volunteers. To enable this service to run as professionally and seamlessly as possible we appreciate your co-operation with reference to the guidelines in this brochure.

WHO WE ARE NOT

We are not a taxi nor a bus service. Volunteers transport people to and from town and/or appointments using their own private vehicles.

BOOKINGS

Please make your bookings **AT LEAST 24 HRS IN ADVANCE**

WHEN POSSIBLE

as this will help to ensure transport is available.

YOUR CALL IS IMPORTANT TO US.

Sometimes you may have to leave a message. Please leave your name, phone number and details of your booking and we will call you back to confirm.

CANCELLATIONS

Notification at your earliest convenience is appreciated. This may create a space for someone else. Some drivers live out of town so we need to inform them well in advance.

BOOSTER SEATS

If possible please supply your own booster seats.

AREA OF SERVICE

The service operates within the town boundary.

We **DO NOT** travel to Whangarei.

No service available weekends and public holidays.

To keep this service operating a koha is appreciated. Thank you.
